Accounting Statements 2023/24 Other Payments

31st March 2023: £3,746

31st March 2024: £5,049

The Parish Council agreed to pay an additional £1000 to the village church as in previous years, the church administrator had requested a donation of £500 annually which the Parish Council agreed to. However, due to a change in administrator these funds were not requested during 2022/2023 and 2021/2023.

Other differences were minimal which make up the additional £303 and only due to inflation charges.
